

~~CONFIDENTIAL~~ 4/13

22 August 1951

MEMORANDUM FOR THE RECORD:

Subject: Conference with Mr. Schaub and Mr. Veatch of the Bureau of the Budget

1. The conference referred to above took place in Mr. Schaub's office at 3:00 p.m. this date with Mr. Wolf, Deputy Director (Administration) and the undersigned being present.
2. The main purpose of the conference was to discuss the possibility of obtaining approval for proceeding with the leasing of the Riverside Stadium as outlined in Mr. Wolf's letter of 3 August 1951 addressed to Mr. W. E. Reynolds, Commissioner, Public Buildings Service, General Services Administration.
3. CIA representatives agreed to the release of 42,000 square feet of the space to be made available to the Agency in the near future, providing approval was given for the leasing of the Riverside Stadium which will provide approximately 42,000 square feet of space after alterations are completed. The proposal for the exchange of space was made in order that the offices of ORR, OGI, OSI and OCD may have additional space contiguous to their present locations. The proposed plan calls for the move of the majority of OGI organizational units to the Riverside Stadium thereby making additional space available for the expansion of ORR, OGI and OSI in "K" and "Que" buildings.
4. After a telephone conversation with Mr. Ziernicki, Public Buildings Service, Mr. Schaub stated that representatives of P.S. were in the process of making a study as to the valuation of the property in order to arrive at a fair rental value. This study was to be completed this date and Mr. Schaub advised of the results. The undersigned was instructed to contact Mr. Schaub the afternoon of 23 August 1951.
5. Other matters discussed at this meeting were:
 - a. Appropriation for new building:

Mr. Veatch stated that the Bureau of the Budget was working on a supplemental estimate which would increase the amount requested in a previous appropriation request from [redacted] which would equal the amount of the proposed authorization.
